## About Conference

In today's interconnected world, knowledge and research have broken free from traditional boundaries. The Institute of Research Education and Development, in collaboration with Surendranagar University, Wadhwan, proudly presents the "National Conference on Multidisciplinary Projects in the Contemporary Era."

Scheduled for October 29, 2023, this conference invites scholars, researchers, and academicians to explore a wide range of topics that transcend conventional research areas. Our aim is to encourage collaboration and discussion among diverse fields to address complex contemporary challenges.

From history and culture to economics, literature, and social issues, this conference covers a spectrum of subjects. We will delve into the interconnectedness of disciplines and the potential for collaborative solutions.

We invite you to share your insights and discoveries in your research area. Join us on October 15, 2023, as we embark on a journey of intellectual exploration and collaboration, shaping a more informed and interconnected future.
